

RGU SPORTS CLUBS KIT POLICY

General

GPE Team Sports (Macron) are the official kit supplier of all RGU Sports Clubs.

All clubs must use GPE Team Sports (Macron) as their leisure and playing kit supplier*.

This allows all clubs to purchase leisure and playing kit, ensuring all clubs have access to a standardised design which will help promote their club, the Robert Gordon University and RGU Sports Clubs.

Clubs must wear Macron leisurewear and playing kit to all official club activity, fixtures and training.

Use of RGU sports club and/or RGU sport logo must be preapproved by the President of Sport and Physical Activity and Head of sport on any additional kit.

**The only exception to this is if GPE Team Sports (Macron) does not provide playing kit for your sport. If GPE Team Sports (Macron) does not supply the kit you require for competition, please contact the President of Sport and Physical Activity.*

Specifics

All Club members are required to exclusively wear Macron clothing whilst representing RGU Sports Clubs at any event, tournament or fixture.

All bulk bespoke playing kit orders are to be made through the President of Sport and Physical Activity, based on club handover documents.

Standard leisurewear orders are to be made through the Macron website, or shop, with each club having the ability to add a club name and club sponsor (if approved by the President of Sport and Physical Activity) on to items.

Orders are made by individuals: Lead times for online orders are 7 days with delivery to individual addresses or the Macron Aberdeen store.

Inventory

Club Committees will be responsible for updating their club inventory following a kit order being fulfilled. It is the responsibility of the club to ensure that all kit is well maintained and stored properly.

Any damaged or lost kit must be reported via the damaged kit and equipment form, [link](#).

Lost Kit

If a club loses any kit, the club must take responsibility for the cost of replacing the kit through GPE Team Sports (Macron). If the order for custom kit is placed through RGU sports club's, the club will receive an invoice to pay the amount back if the money has not already been fundraised by the club.
